AMENDMENT AND RESPONSE

Sir:

This is Applicant's response to the final rejection mailed July 18, 2000. The response period during which applicant can expect an advisory action is set to expire on September 18, 2000. Applicant requests that the above application be amended as follows:

In the Claims:

Cancel claims 1-18.

19. (twice amended) A method of enclosing a C-frame motor so that a curtain of air can be concentrated onto the motor to cool the motor comprising the steps of:
providing a motor assembly having a stator, a rotor and at least
